Fourth Inner Wheel Stamford Mirror

In U.S. Gets Charter

The Stamford-Hobart Inner Wheel Club became officially organized on Wednesday evening, July 4th, at a dinner at the Delaware Inn, at which time the new club received its charter, being designated as overseas club No. 55. Originating in England, as an organization of Rotarians’ wives, the Inner Wheel is developing an international identification. Stamford-Hobart is the fourth club to be organized in U.S.A.

Mrs. Beatrice Reigrod, president, presided and outlined the specific plans and objects of the organization and the purposes of the new local group. The charter was presented by Mrs. Grace Hazenbalz, retiring president of the Binghamton Inner Wheel, under whose sponsorship the local group was organized. George Taylor, retiring Governor of Rotary district 253, spoke briefly.

The evening’s entertainment was provided by Mrs. Mabel Atwell, noted monologist, of Cooperstown, N.Y., whose humorous interpretations were received with much pleasure and applause.

Seventeen of the twenty-four charter members were present with their husbands, as guests. Other guests were Mr. and Mrs. Robert Atwell of Cooperstown; Mr. and Mrs. Werner Hazenbalz; Mr. and Mrs. George Bain Cummings; Mr. and Mrs. Harold Albert; Mr. and Mrs. Henry Meyer of Binghamton, N.Y.; Mr. and Mrs. Edwin Mason of Hobart; Dr. and Mrs. W. H. F. Newman of Stamford, with Miss Muriel Newman; Mr. and Mrs. Eugene Govenor Jr., guests of Mrs. Eugene Govenor Sr.; Mrs. Milton Basson, guest of Mrs. Sidney Solomon.

A unique and pleasing feature of the occasion was the hand-painted program folder listing the charter members, the officers, and the program. Officers for 1951-52 are as follows: president, Mrs. David Reigrod; vice-president Mrs. Kermit Cantwell; secretary, Mrs. Kenneth Perk; treasurer, Mrs. Sydney Solomon; executive committee, the officers with Mrs. Wil E. Vandenburg and Mrs. George Taylor.
Variety Show

Walton — The Stamford Rotary Club, with the assistance of the Inner Wheel, have completed plans for a variety show to be held in the auditorium of the Stamford Central School Nov. 2. John Taylor Breen has been appointed general director and Peter De Luces as music director.

Stfd.-Hob. Inner Wheel Hears Ives

The regular meeting of the Stamford-Hobart Inner Wheel was held last Wednesday evening, September 5, at the Kaatskill Lodge in Stamford.

Seventeen members were present to hear Dr. Charles K. Ives of Roxbury, give an interesting description of his personal experiences with clay modeling. Dr. Ives’ talk was received with a great deal of interest and enthusiasm.

Inner Wheel Slatas Picnic for Fresh Airs

The Stamford-Hobart Inner Wheel has made plans for a mass outing for all the fresh air children in the area to be held this afternoon at the Kenneth Peck farm on Peck street. Included on the program are a picnic, games and short hikes.

The children arrived from New York last Tuesday evening in Oneonta where they were met and picked up by their respective hosts. The 27 children, along with an additional 200 slated for the outlying districts of Oneonta, showed few signs of their nine hour train trip but seemed happy to be on the last leg of their journey.

Today’s picnic is the only activity planned for the entire group. Previous to this outing the individual hosts arranged such diversions as fishing, swimming, hiking for their own guests.

In case of rain today, the picnic will be held tomorrow.

The children are slated to return to New York Tuesday.
