We further respectfully report that full answers to the other matters embraced in the foregoing resolution will be found contained in the report of the Attorney of the Commissioners, a copy of which is herewith submitted as follows, to wit:

TO THE COMMISSIONERS OF EXCISE OF THE COUNTY OF DELAWARE:

The Attorney of your Board respectfully submits the following Report, in obedience to the requirements of a resolution, it is understood, served on you, and also which I acknowledge to have been served on me, by the clerk of the Board of Supervisors, on the 19th day of Nov. 1861-a copy of which report you will do me the favor to lay before the said Board of Supervisors of this County:

First - The whole amount of fines and penalties collected since my appointment, in May 1859, is \$340.21.

Second - The whole number of suits actually commenced, since Dec. 12, 1860, the date of your last report, is seven, viz: One against **Hugh Scutt** of Stamford, one against **Vincent Huguiner** of Tompkins, one against **John Coan** of Kortright, one against **George W. Dan** of Tompkins, one against **William Y. Burns**, of Kortright, one against **Robert Crawford** of Hancock, and one against **Samuel Sherman** of Davenport; all which actions, except that commenced against **John Coan**, have been settled and discontinued, and settled in accordance with your instruction, (except also in the action commenced against **Robert Crawford**), by payment of my fees, amounting to \$10 and disbursements in each case, except one, in which I accepted \$8 for my fees, and by the payment of \$50 in each of the actions against **Hugh Scutt and Victor Huguiner**. In the action against **Robert Crawford**, who is the owner and keeper of an eating saloon, having no license, he made affidavit that he had sold no spirituous liquors except lager beer, and that he was ignorant that the sale of such liquor was illegal. The decision on the matter by the Curt of Appeals, at the times of such sale of lager beer not having been published. The suit therefore, was settled on payment of my fees of \$10 and the Sheriff's fees.

In addition to the forementioned seven actions, the necessary papers for the commencement of actions, were made out and placed in the hands of the Sheriff to be served, in two other cases, to wit, one against **Frederick Kaltenbach** of Roxbury, and the other against **James McNulty** of Hancock. Both cases were settled, however, before the service of the papers by the Sheriff, the one against **Kaltenbach**, by your direction, and on payment of \$8 which I accepted for my fees, and that against **McNulty**, on payment of \$25, ten dollars of which I retained as my fees, and \$15 has been disposed of as hereafter mentioned.

The action against **John Coan**, which is the only action now undetermined, is at issue and ready for trial when it can be reached.

Third: The whole amount of monies collected on account of fines and penalties, since the date of your last report, being for the present year, is \$282.70.

Fourth: All the monies received for fines and penalties, since my appointment as your Attorney, have been applied in part payment of my fees and charges pursuant to the directions of the Commissioners after consultation with **Judge Mason**, on the subject of your right to apply such monies for such purposes, leaving a balance my due on the 23rd day of Nov. 1861, of \$113.46; a detailed statement of my account with you, and of the application of the last above-mentioned monies received, is herewith respectfully submitted, marked A.

Fifth: Two of the seven unconditional judgments obtained in the name of your Board since my appointment as Attorney, have been paid in full and satisfied, to wit, one against **Jonathan P. Flower**, of Delhi, in which the amount of the recovery against him was \$100, and the other against **Lemuel D. Mason**, of Andes, in which the amount of the recovery against him was also \$100.

Executions against the person, were issued and placed in the hand of the Sheriff of the county, in May last, on three other of the seven above-mentioned judgments, viz: on one against **James Boyd**, of Meredith, docketed on the 4th day of Sept. 1860, for \$120.01, damages and costs; on one against **John Swart**, of Davenport, docketed on the 24th day of Oct, 1860, for \$123.52; on the other against **Manly M. Finch**, also of Davenport, docketed on the 15th day of Feb. 1861, for \$105.38.

After the lapse of nearly or quite one hundred days from the time of the delivery of the executions to the Sheriff, and three of these defendants were committed to the common jail of the county. In a few days after their commitment to jail, however, **John Swart**, one of the defendants, was suffered to return home, on the sole responsibility of the Sheriff, so far as known to me, and where, ever since the said **Swart** has remained, as I am informed. **James Boyd and Manly M. Finch**, also in a few days after their commitment were respectively discharged from their imprisonment by the Sheriff on the written directions of two of the Commissioners, as I am informed by said Sheriff. Both of the two latter named persons, since their discharge from imprisonment, have been engaged in the active, constant and illegal traffic of spirituous liquors, as made known to me, through the representatives of persons residing in the towns of Meredith and Davenport, respectively.

If the discharges of **Boyd and Finch** are legal, then the above-mentioned judgments against them are fully satisfied, as I had frequently stated to you would be the effect, previous to their discharge; while in the opinion of the undersigned, there is no remedy on the above mentioned judgment against **John Swart**, except against the Sheriff, who, in my opinion, also, is liable to the full extent of the judgment, principal and interest.

Executions on the two remaining of the seven above mentioned judgments, have been issued against the property of the defendants, and by the Sheriff returned unsatisfied in each case, as I am informed, to wit, on one against **John Swart**, of Davenport, docketed on the 14th day of Oct., 1860 for \$129.67 damages and costs and on the other against **Daniel W. Sackrider**, of Delhi, docketed on the 31st day of May, 1861 for \$162 damages and costs.

A judgment was obtained against **Vincent Huguinier**, of Tompkins, on a note given by him in payment of the settlement of a penalty incurred by him, on the 21st day of Oct., 1861, before **Harvey F. Davidson**, a Justice of the Peace of this county, for \$39 damages and costs, and which judgment remains uncollected, although an execution thereon, was some forty days since, placed in the hands of a proper officer.

No action for penalties, since my appointment as Attorney by you, has been commenced, but upon complaint, which circumstances apparently disclosed the necessary facts for conviction, and of the ability in the persons complained of, to pay any judgment that might be obtained. The policy pursued for most of the last year, of making settlements with offenders upon payment of the taxable costs, simply, although both recommended and solicited in most cases by respectable persons in the localities where the offenses have been committed, is obviously unwise. The excise law has been in existence for several years, and its provisions are well known. There can, therefore, be but few excuses that will justify a settlement of an action when commenced without payment, at least, or one penalty besides the costs, while the protection of the county against all costs and expenses, demand that those who violate the law shall be made to pay sufficient for the enforcement of its provisions, and to guard against the contingencies of misinformation, and the fluctuations to which, the pecuniary circumstances of most persons are liable

Complaints have been made to me by highly respectable persons, against the violations of the excise law in certain localities, without any specification of the particular offenses, the names of the individuals by whom committed, or the names of any witnesses, solely as alleged by those making the complaints, through fear of injury to their persons or property, in case the above mentioned suppressed facts should be communicated. Such a state of society, if true, demand attention and a remedy.

In conclusion it is due to the Commissioners and myself who disagreed with the two Commissioners who gave written directions to the Sheriff for the discharge from imprisonment of both **James Boyd and Manly M. Finch**, above mentioned, although it is understood that **Mr. Boyd** made oath to such Commissioners that he was a poor man and unable to pay the judgment against him, that the reasons for such disagreement should be stated. These reasons are as follows:

First: The provisions of law for the imprisonment of this class of its violators ought to be reasonably enforced, until the present excise statute shall be repealed, or the section authorizing imprisonment annulled; and more especially against these two defendants, each of whom had interposed a sham defense, and thereby put the plaintiff to greatly increased expense.

Second: The defendants were both youngerly men, and representations had been made by persons entitled to credit, that each could pay something, and perhaps the full amount of the judgments respectively against them, were they so disposed.

Third: The discharge from imprisonment of this class of offenders without some meritorious reason or urgent necessity, operates injuriously upon other persons engaged in the illegal traffic of intoxicating liquors, without producing any beneficial effects upon the individuals discharged.

Fourth: Persons licensed having paid a considerable sum of money to obtain their licenses, are justly entitled to protection against illegal sales of spirituous liquors and wines to the fullest extent of the law practicable.

Whatever may be urged in extenuation or justification of a legalized traffic in intoxicating liquors as a beverage, the pernicious effects on society in the toleration of their illegal sale are great; not the least of which is the begetting and sustaining a disrespect and disobedience to law-a vice properly regarded as one of the most prominent of the present age.

Very truly yours & c

S. C. Johnson

Some of the facts stated in the foregoing report of the Attorney of the Commissioners are known by us to be true, and we have been informed by said Attorney, that the others contained therein, also are correct and true, and which we verily believe.

No monies for fines and penalties within the last year have actually been received by the Commissioners-they have been collected or paid over to the Attorney as mentioned in his report to us, as we are informed and believe.

A grocery or store license within the last year was granted to **Mr. Ira Hicks** of Roxbury, and placed in the hands of the colleague of the undersigned, **Warren Dimmick, Esq.**, and one of the Commissioner of Excise of this County, to be delivered to him on payment of thirty dollars, the amount of license money required. We are informed that subsequently **Mr. Hicks** paid the thirty dollars to **Mr. Dimmick**.
