

## SMALL CLOVESVILLE CEMETERY

*A year or so ago I transcribed inscriptions from the little Clovesville Cemetery (across the road from the main cemetery and known by some older residents as the Catholic Cemetery). Roger Davis had already done this before but I was involved in a clean-up effort at the time. I then went and checked the copied inscriptions over and against census records - thought it might be of interest --Edward Stewart, November 2011*

Town of Middletown

Across the road from the Large Clovesville Cemetery

Read by *Roger* Davis, Aug. 18, 2001

*This cemetery has been in very poor shape for years, but someone, who deserves a lot of credit, has been putting the stones upright and trying to make it look better. It has been mowed and stones repositioned as best they can. Clovesville is just out of Fleischmanns and in The Town of Middletown.*
